

## 531.00.0.307

### TECHNICAL DATA

## Laser Safety Goggle

Frame Layout	Filter optical density and transmittance
 <p>Filter colour: pink</p>	

Frame Specifications		Filter Specifications	
Code:	531	Code:	307
Description :	Goggles	Material:	Polycarbonate
Material :	Polyamide 6,6	Colour :	Pink
Colour:	FA03 texture shiny black(painted)	Technology:	
Side material:	Polyamide 6,6	VLT:	22%
Field of view:	> 40°		
Weight:	50.4 g		
Dimension (LxWxT):	159x163x2 mm		

### Protective eyewear against laser radiation

Code	Lambda min.	Lambda max.	Optical density	Protection
